MEMORANDUM

TO: Department Heads/Designee

FROM: Sharon P. Murphy, Director
Department of Personnel

SUBJECT: ALCOHOL AND DRUG TESTING PROGRAM

This is to advise you that the contract with Associated Pathologists Laboratories to provide drug testing for State employees, as well as applicants for positions affecting public safety, has been renewed through April 1999.

An updated copy of the Alcohol and Drug Testing Program booklet was recently sent to you. It contains a programmatic change which I would like to bring to your attention; that is, in the future, negative test results will no longer be subject to review by a medical review officer.

Test results will continue to be sent to you as the department head unless you have previously notified us of a designee. If you would like to change this designation in the future or have any questions about the program, please contact Phil Hauck at 687-4053.

Thank you for your cooperation.
